NASBY. An Important Case at the Corners, Under the Vagrant Act-The Decision of 'Squire

Gavitt. POST OFFIS, CONFEDRIT X ROADS, (wich is in the Stait uv Kentucky,) January 28th, 1867.

Wun uv the most important cases-important in a nashnl sense-ever tried afore a court uv justtis, came off afore 'Squire Gavitt at the court house at the Corners yesterday. It wuz important becoz it involved the very eggsistence uv the institooshn upon wich Kentucky is built-becoz upon its decishn hung the great question whether or not the Bible shood be respected and its holy injunctions obeyed—whether Kentucky shood, clingin to the Skripters, go on ez a Christian State, or, denyin it, go ly need say that the porshens uv the Bible Andy Johnson was a self-made man, as it to wich I refer is the ever blessed chapters relieved the Lord from such a dreadful rerelatin to Ham, Hager and Onesimus-the sponsibility! only parts of the Skripter we pay much attenshun to. But if them is successfully attackd. wat follows? The entire struckter comes tumblin to the ground. Therefore, holdin to Afferkin slavery, we are orthodox

The circumstances uv the case wuz suthin like this: A nigger uv the name uv Gabrel, wunst the happy and contented servant uv the eminent Christian, Deekin Pogram, becum possessed uv the spirit uv the devil, and sullen, becoz the Deekin sold his wife to raise the means to send his second son, Isaker, to a Theolojikle Institoot, sumwhers in Georgia; and also enraged becoz his female offspring, Elizer, happened to attrack the attention uv his eldest son, Elijer, he run away in the first year uv the war, and follered the Federal army, finally enlistin as a soljer. Durin the progress uv the struggle, he learned to read, and bein powerful in prayer and sich, he headed a revival, and hevin gifts that way attracted the notis uv Genrel Howard, or sum uv them fanatics, who had him instructed, and finally made an agent uv a branch uv that accursid Freedmen's Burow. And shoor enuff, after the war he appeared in this vicinity, salaried by this sosiety, and commenst unfittin the niggers for their normal condishen by teechin on em to read, and stablishn Sundy skools, among em, and given uv em advise ger, relative to a triffin matter uv wages .-The nigger hed bin workin at the stipulated price uv \$4 per month-the Deekin brought in, ez a offset, his board at \$2 per week, and ruther then huv any fuss about it, proposed to let him work the balance out durin the winter months. To this ekitable arrangement the nigger demurred, holdin that board was inclooded, and this Gabrel advised the nigger to sue and he did so.

Enraged at this interference, the Deckin went before Squire Gavitt, and complained uv Gabriel ez a yagrant, and employed me John Cobb, Admr., and Thomas Cobb vs. Mahulda Smith to attend to the case. Pollock, the Illinoy storekeeper volunteered to defend the nigger, and there wuz a tremenjus eggsitement

I opened the case by statin that the nigger's biznis wuz to prove that he hed vizable means uv support-Pollock insisted that it wuz our biznis to prove that he hedn't, but the Court decided agin him.

The nigger then swore that he reserved from his congregashen \$30 per month for his services. I submitted that, ez he wuz a interested party, other proof wood be required. Pollock interdoost the elders uv the congregashen, but I checkmated him there, by submittin that the testimony uv niggers wuzn't admissable, wich the Court decided it wuzn't.

Immejitly Pollock submitted that wheth-The nigger then swore that he reseeved

Immejitly Pollock submitted that whether or no his client coodent be considered a vagrant, ez he cood testify himself to the fact that he (Gabrel) hed in his house \$200 in greenbax-a suffishent support for a time at least. Ther waz a immense eggsitement in the

"Wher duz he keep it," axed the Squire visibly agitated.

"In his chist at the house wher he boards sed Pollock.

"This court stands adjourned for thirty minits," sed the Squire, boundin over the railin in front uv him. "Hold on," sez he,

"hold on, Deekin; a fair start is all I want. Don't take advantage uv my age to git ther first;" and pell-mell over one another, the entire audience, ceptin Pollock, the nigger and me, started on a keen run for the house In a few minits they returned, pantin and out uv breath, when the Squire called the court to order agin, which being restored "Ef it cood be established that the nigger had \$200 in greebax it wood necessarily dis-

charge him, ez no man with that sum cood be considered a vagrant; but he ruther that ef the prizner at the bar shood look in the dreckshun uv his house, he'd find it wuzn't there any more ez a house, tho the material uv wich it wuz built lyin around permiskus. Likewise, probably, he wouldent be able to find the \$200 he hed in his chist. The place that knowd it wanst will know it no more forever-it hed bin confiscated by the enraged citizens. He wanted it understood that no sich triffin impediment in the way uv justis ez the possession uv \$200 cood be allowed within the joorisdickshen uv this court. The nigger not bein able to prove his means uv support, and ez the court knows uv its own knollege that he aint got any \$200, the court wood ask the criminal's counsel, wat other nonsense he hez to

Sed Pollock, the Illinoy storekeeper: that under the civil rights law the defendant cannot be arrested ez a vagrant ez the law under wich the accused is arrested only menshans persons uv color, makin a distinktion agin em.'

Never, wile memory retains her seat, shel I forget the scene that ensood. Filled with a sense uv the responsibility restin onto him, the Squire rose slowly from his seat, his face uv a deathly palenis, wich had the effeck uv hightenin, by contrast, the intense rednis uv his nose, and risin to his full hite, remarked that the court hed expected that objection to be urged, and hed, therefore, prepared for it. That law doesn't bind this court to any alarmin extent, considered it ez infringin onto the reserved rites uv the

"Will the Court be so good ez to men-shun, for the informashun uv the populace, wat the reserved rites uv the States are?" sed Pollock.

"The Court insists that it shel not be interrupted when its deliverin itself uv a opinion. Considerin it ez infringin upon the reserved rites uv the States, uv whom Kentucky is the chiefist and lovliest among ten thousand;" at this pint his nose glowed redder and redder, and it seemed to me ez

" Hez the counsel for the State anythin to say?" "Nothin," sed I. "I am willin to trust

the Corners to the stashen, at the conclusion The Enoxville Whig. the Corners to the stashen, at the conclusion of wich Pollock very profanely added, "Ann

may the Lord have mercy on your sole." The nigger wan immejitly stript uv his good close, wich the Squire that would just tit him, and a soot of vagrant's close wuz given him and he wuz to wunst put to his labor.

We hev hopes that this will end the nigger skools in this visinity, ez well ez the discontent that hez existed among the niggers ever since the disturbin Gabrel hez bin here. The Corners is now enjoyin a holy calm-more so than any period for a month. PETROLEUM V. NASBY, P. M. SYMPTOMS.

The symptoms of Catarrh are at first very slight. Persons find they have a cold, that they have frequent attacks, and are more sensitive to the changes of temperature. In this condition the nose may be dry, or a slight discharge, thin and acrid, afterwards thick and adhesive, may ensue.

As the disease becomes chronic, the discharges are increased in quantity and changed in quality ; they are now thick and heavy, and are hawked or coughed off. The secretions are offensive, causing a bad breath, the voice thick and nasal; the eyes are weak; the sense of smell is lessened or destroyed; desfness frequently takes place.

Another common and important symptom of Catarrh is, that the person is obliged to clear his throat in the morning of a slick or slimy mucous, which has fallen from the head during the night.— When this takes place, the person may be sure that his disease is on its way to the lungs, and should lose no time in arresting it.

The above are but few of the many Catarrhal symtoms. Write to our Laboratory for our pamphlet describing fully all symptoms; it will be sent free to any address. Also directions where to procure
